OBJECTIVE

To work in an environment which encourages me to succeed and grow professionally where I can utilize my skills and knowledge appropriately.

SKILLS

- Amiability- I like to create a comfortable and friendly atmosphere for people to interact with me. I persevere to maintain a very positive outlook towards all
- Extroversion- I am pretty much outgoing.
- Openness to experience- I am very keen in trying to explore new instances and circumstances and as a result come up with unprecedented occurrences.
- Adaptability- I try to mould myself according to the situation at hand. I most often come up with good learning experiences from them and try to inculcate them into my day to day life.
- Empathy- I practice empathy and by setting it in motion i am enroute giving birth to compassion.
- Communication skill- The most valuable asset is the customer- each and every customer is a unique individual and i like to treat them as such, one needs superb communication and problem resolution skills.

PROJECTS

Miss Navi Mumbai'18

Drawn sketches and designed evening gowns for the top 15 contestants who were walking on the ramp in their third round.

RESULT : Completed this project within a month ahead of schedule, under the budget and to universal client acclaim.

Fashionista Exhibition

Designed my own garments and showcased them in a exhibition as a purpose of selling and even creating awareness among the people for my boutique.

RESULT : Had a wonderful experience and explored new culture and the taste and preferences of the customers. Also had a pretty good profit and was awarded of having a best stall in the exhibition.
