Objective

As I mentioned earlier I am presently working with Reliance JioMart (A B2B2C START UP) since January 2021 as a Commerce Service Officer and my duties include marketing,sales and analysis. This role demands a lot of traveling, interaction, convincing skill and some analytical skill to judge both the slow moving and fast moving stocks of Reliance Fulfilment Centre.I already had some of these skills like analytical skill and communicative skill and I developed others through the course of my job. My primary objective is to grow, learn new skills and enrich myself and finally have a fruitful and brilliant career in the corporate sector.
