Aspiring MBA graduate in Finance with strong expertise in financial management, investment analysis, and strategic planning. Proficient in financial modelling and forecasting, with a knack for analyzing data and delivering actionable insights. Demonstrates excellent problem-solving and analytical skills, coupled with effective communication and teamwork abilities. Committed to applying academic knowledge to real-world financial challenges and contributing to a dynamic team.

INTERNSHIP

Vivek Siddhant & Co. (Intern)

- Assisted in calculating taxable income for individuals and businesses, ensuring accuracy and compliance with tax regulations.
- Assisted in filing Income Tax Returns (ITR), demonstrating proficiency and adherence to deadlines.
- Conducted financial analysis and supported the preparation of financial statements.
- Collaborated with senior accountants to understand complex tax issues and develop effective solutions.

PROJECT

“To analyze the preferability of the old and new tax regimes in India and identify the factors influencing taxpayers' choice between the two regimes.”

- Conducted a detailed comparative analysis of the old and new tax regimes, examining tax slabs, exemptions, and deductions. - Identified that higher-income individuals preferred the old tax regime due to the availability of deductions and exemptions.
- Gathered data from various taxpayer profiles to understand their preferences and the financial impact of each regime. - Found that lower-income individuals and those with simpler financial situations favoured the new tax regime for its straightforward approach and lower tax rates.
